Craft Exhibitors: In keeping with Berea's reputation for quality crafts, we are asking that our craft exhibitors display only hand-made arts and crafts. ALL ITEMS MUST BE HANDMADE or pre-approved by the selection committee. Absolutely, no flea market items or items purchased from catalog companies are acceptable in our crafts area. Additionally, craft vendors are not permitted to sell or give away food or drinks. New exhibitors are required to submit a minimum of 3 photos of their craft products along with at least 1 photo of their booth with this application. Returning exhibitors, who have photos on file, are not required to send additional photos unless they have added new products.

Informational Booths: Open to businesses and non-profit organizations who wish to promote their products and/or services to Spoonbread Festival attendees. While promotional items are permitted and encouraged, information booths will not be permitted to sell or give away food or drinks.

Commercial Vendors: In recent years, retailers of various products of interest to festival goers have been added to the Spoonbread Festival. Commercial vendors are not permitted to sell or give away food or drinks. Each exhibitor will be required to submit a list of his/her products to be sold, along with at least 2 photos of their booth with this application.

Food Vendors: Our food vendors are by invitation only and require a separate application. Call (859) 986-9760 for more information.
